## The Way We Empower

When students and parents are considering Trinity Christian School, they often wonder about the place of Christian faith in the life of our school's community. Trinity is clear in its approach: we partner with parents and churches to equip each student with the tools necessary to influence our community and world for the cause of Christ. Each student bears the image of God and is teeming with potential, gifts, passion and purpose.

## The Way We Educate

- Advanced Classes (Elementary - High School)
- STEAM and Academic Electives (Pre-K—12th Grade)
- Interactive Technology
- Domestic and International Missions

## The Way We Equip

Trinity Christian School is a fully-accredited, non-denominational, preschool through 12th grade, college preparatory school in Sharpsburg, GA. Bordering Fayette and Coweta counties, Trinity currently enrolls more than 1,200 students. In addition to our strong academics, including honors and college prep courses, students may choose from a variety of extracurricular activities, and a full range of boys' and girls' competitive athletic programs. Celebrating more than 25 years in the Coweta and Fayette County area, Trinity Christian School continues to grow and has exciting plans for expansion to meet the needs of our growing student body.

## Families Love Trinity

"We have been so blessed by all the teachers, coaches and faculty at Trinity. I'm thankful for the education my kids are receiving and the friends they have made."  
~Trinity Parent
